Announcement of 20 Cent Copper Causes Advance of Copper Stocks.

The entire stock market opened strong hurshay and well above Wednesday's close coording to advices to Curtisa Manniah & stocks and bonds. First National bank itidize. After an hour The advence of copper to re cents by the sew York metal exchange establishes a cord for that metal since 1897, and prior that. 1899.

record for that metal since 1997, and prior in that, 1897.

Amazenda to Increase Dividends.

The record strength of Anacenda and Anaignmented shares is accompanied by the reports that Anacendal dividend will be increased at the meeting of the directors this month. In view of the restoration of dividends by meet of the Opper companies that reduced rates after the war was declared, some credence is given to these reports. On the present production and 13 cent copper, Anaconds must be saming more than \$2.500,000 a year.
